L'entreprise

Actual agency is partnering with a **company specialized in childcare, offering babysitting and educational support services for English-speaking families.**

Le poste

We are looking for a **childcare provider to support families in Paris.** Your role will be to ensure the **children's safety** and well-being, offer age-appropriate activities, **manage daily routines**, and maintain a calm and caring environment.

You will work in the families' homes, either occasionally or on a regular basis, depending on their needs.

Le profil recherché

Proven childcare experience: you have significant experience and are able to provide a safe, caring, and stimulating environment for children.

Native English required: native-level English proficiency is essential, as nearly all families are expatriates. All interactions with both children and parents are conducted exclusively in English.

Strong sense of responsibility: you are reliable, punctual, and capable of managing routines, schedules, and the specific needs of each child.

Creativity and educational skills: you know how to offer fun, educational, and age-appropriate activities to support children's development.

First aid training: first aid certification is a real advantage to ensure safe care at all times.

Early childhood training: essential for caring for children under the age of 3, to provide proper support for toddlers.

We are looking for a dedicated, passionate professional who is ready to fully invest in the well-being and development of the children entrusted to their care.
